

Dayton Bombers Youth Hockey League

I wanted to take the time to say thanks to everyone who is involved behind the scenes to make the organization great.

Remember, that this is our organization. It exists for all of us, but especially for the kids. We need your help to keep the program strong and headed in the right direction. I also want to welcome those of you who are new to our program and hope you will find it a satisfying and rewarding program to continue to belong to. -Mike

We have lots of apparel items available with the DBYHL logo. Pictures are on the website. Contact the Booster Co-Chairs.

Check us out at www.dbyhl.com!

We are a non-profit youth club dedicated to providing a safe, fun place for kids to enjoy the sport of hockey.

Get involved! Volunteer to be a team parent, coach or board member!

Program News and Notes

Our Program. We offer a program for children of all ages beginning at 4 and continuing through age 16.

Instructional Program - This division is for players that are between 5 and 9 yrs old. This is a beginner hockey program where the players will practice at least once per week over the season. The emphasis is placed on skill development, skating, stick handling, passing and shooting.

House/Rec Program – We offer teams at the Mite, Squirt, and Pee wee levels. Our teams play in the Greater Dayton Youth Hockey League (GDYHL). This league stresses fun, recreation, development of skills, and good sportsmanship.

Travel and Independent Program – We offer teams that compete in the Buckeye Travel League and the Midwest Ohio Bantam League. This year we will have a Pee wee travel team, a Midget travel team that will compete in the Buckeye Travel League. We will have at least two or as many as three Bantam teams, depending on registration numbers. The DBYHL will roster a bantam team competing in the MOBL as well as scheduling other games. The DBYHL is also collaborating with the Springboro organization to field up to two additional teams at the Bantam level. These teams will also compete in the MOBL and schedule additional games. Visit our website for contact information.

Fun Stuff: We have worked these past few years to make the DBYHL a family-oriented program. We are looking for players to skate with Centerville High School players in the Americana Parade on the 4th of July. The new inflatable goal will be at the festival from noon – 4 p.m. All players are encouraged to “bring a friend” to this event.

Many of our DBYHL Teams have made trips to skate with the Dayton Bombers, the Ohio State Buckeyes, and the Columbus Blue Jackets. Thanks to the coaches and volunteers who organize these trips!!!

Fees: We get questions about fees and how they are set. The board has worked hard to design a program that meets all our needs. Typically 87% of the fees we charge are directly related to taking the ice. The rest is to make the program work.

Growth: This year we are offering teams at the IP, Mite and Squirt levels at South Metro in Centerville to better service the south Dayton and north Cincinnati communities.
